

# A GROWING BUSINESS.

Only ten months in our new department store and we now find our quarters too small. Our increasing business demands more room, and to meet this want, we are now rushing up our new addition—50 by 140 feet. We hope this space will be sufficient for some time. The new addition we will occupy September 1st, the first floor of which will be given up to Clothing for Men and Boys. This stock we are now buying from the leading clothing houses in America, among them the Fechheimer-Fishel Co., Strouse & Brothers, also the great Chicago House of Kohn Brothers. We will add extensively to our Carpet Department. The basement, where our Clothing Department is at present, will be allotted to House Furnishing Goods, Crockery, Toys, etc. But enough for the present. No curtailment here. The head of every Department throughout our big store receives positive instructions, "Keep up your stock at all seasons. Be out of nothing." By following this up you will find our stock very complete.

### Stops Easy.

In riding through the dry and dusty portion of Idaho in a luxurious train of Pullman sleeping cars with dining car and library drawing-room car we looked out upon a family plodding along in a prairie schooner. They had camped for the night, and were just bestirring themselves, the man caring for the team, the wife getting a way-side breakfast, and the children trying to wash in a muddy pool.

"How would you like that?" asked one passenger of another. "They don't go so fast and are not so comfortable, but it is safer stopping their outfit."

Yes, if one lives for safety in stopping only it is better to go slow, but since not one passenger in 10,000,000 gets hurt by the untimely stopping of a Pullman limited, most persons will continue to use the fast, and most comfortable, and luxurious mode of conveyance, but no matter how safe and sumptuous travel is made there will always be some fellows who prefer to go so slow that they can stop without getting hurt. It is the same in teaching. I know a fellow of that kind. Don't you?—New England Journal of Education.

### Just What Every One Should Do.

Mr. J. T. Barber, of Irwinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhoea comes on so suddenly that there is no time to hunt a doctor or go to a store for medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." For sale by O'ear Drug Co.

Suppose we invite Togo to come over and run for the presidency. If we can elect a man because he threw up his hat at San Juan hill, surely we might elect a man who can clean up a whole fleet and not half try.—Newberry Observer.

### Interesting to Asthma Sufferers.

"I have had asthma for three or four years and have tried about all the cough and asthma cures in the market," says Daniel Bantz, of Otterville, Iowa, "and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar, which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." Sold by McMaster Co.

### DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

### Was Wasting Away.

"I have been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." Sold by McMaster Co.

The eye of a little Washington miss was attracted by the sparkle of dew at early morning. "Mamma," she exclaimed, "it's hotter'n I thought it was!" "What do you mean?" "Look here; the grass is all covered with perspiration."

### Ten Years in Bed.

"For ten years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P. of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." Sold by McMaster Co.

### Warning.

If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by McMaster Co.

## BILIOUSNESS CONSTIPATION CURED BY THE DRUGS BLACK DRAUGHT

Because the liver is neglected people suffer with constipation, biliousness, headaches and fevers. Colds attack the lungs and contagious diseases take hold of the system. It is safe to say that if the liver were always kept in proper working order, illness would be almost unknown.

The liver is so successful in curing such sickness because it is without a rival as a liver regulator. This great family medicine is not a strong and drastic drug, but a mild and healthful laxative that cures constipation and may be taken by a mere child without possible harm.

The healthful action on the liver cures biliousness. It has a purgative effect on the kidneys. Because the liver and kidneys do not work regularly, the poisonous acids along with the waste from the bowels get back into the blood and virulent contagion results.

Timely treatment with Theodor's Black-Draught removes the dangers which lurk in constipation, liver and kidney troubles, and will positively forward the blood of Bright's disease, for which disease in advanced stages there is no cure. Ask your dealer for a 25c. package of Theodor's Black-Draught.
